Ice cream dream

Yes, it's true – creamy, pure chocolate and vanilla ice-cream that expands your tastebuds... not your waistline!

GUILT-FREE INDULGENCE

Denying yourself is no way to lose weight, but with New Zealand Natural Zilch you can enjoy the creamy taste of ice-cream without kilojoule overload! Because Zilch has no added sugar, one serving has only 3.2g fat and 403kJ it's a treat you can enjoy guilt free! Zilch has the same creamy taste you've come to expect from New Zealand Natural.
